CITY OF SEATTLE
MAYOR'S OFFICE

SUPERIOR COURT OF WASHINGTON
FOR KING COUNTY

FREEDOM FOUNDATION,

Petitioner,

v.

CITY OF SEATTLE and RALPH NEIS and
LOW INCOME HOUSING INSTITUTE,

Respondents,

No. _____

LAND USE PETITION

Petitioner alleges as follows:

FACTS

1. Petitioner Freedom Foundation is a nonprofit organization representing the interests of thousands of individuals and businesses in

1 Washington in regard to governmental treatment of people at all levels. Among
 2 those interests is the protection of citizens of Seattle from City decisions which
 3 jeopardize the quality of life in people's living and working conditions in their
 4 neighborhood settings. The people whose interests Petitioner represents are
 5 impacted negatively by the decision challenged herein, which was undertaken
 6 without the required public notice and analysis of the impacts on the
 7 environment and human condition.

8 2. The Defendant City of Seattle (City) issued a construction permit
 9 which is the land use decision (Decision) being challenged herein.

10 3. Defendant is a municipality of the State of Washington.

11 **JURISDICTION AND VENUE**

12 4. This Court has jurisdiction over this matter under Article IV,
 13 Section 6 of the Washington Constitution because jurisdiction has not been
 14 vested exclusively by law in some other court.

15 5. Venue is proper in this Court because Petitioner and Respondent
 16 reside in King County and the property affected by the decisions and actions at
 17 issue herein is in, and the cause of action arose in, King County.

18 **FIRST CAUSE OF ACTION:**
 19 **LAND USE PETITION**

20 6. Petition. Pursuant to the Land Use Petition Act (LUPA), chapter
 21 36.70C RCW, Petitioner submits this land use petition and specifically allege the
 22 following pursuant to RCW 36.70C.070:
 23

1 7. Petitioner's Name and Mailing Address. Petitioner is the Freedom
2 Foundation. Petitioner's name and mailing addresses are as follows:

3 Freedom Foundation
4 2403 Pacific Ave SE,
5 Olympia, WA 98501

6 8. Petitioner's Attorney: The following is Petitioner's attorney:

7 Richard M. Stephens, WSBA #21776
8 Stephens & Klinge LLP
9 10900 NE 8th Street, Suite 1325
10 Bellevue, Washington 98004
11 (425) 453-6206

12 9. Local Jurisdiction, Name and Address. The local jurisdiction whose
13 Decision is at issue is the Respondent City of Seattle. The mailing address for the
14 City is as follows:

15 City of Seattle
16 Department of Construction and Inspections
17 700 Fifth Avenue, Suite 2000
18 Seattle, WA 98124

19 10. Applicants for Land Use Decision at Issue. The Applicants for the
20 Decision at issue are Ralph Neis and the Low Income Housing Institute. The
21 mailing address for Mr. Neis and the Low Income House Institute is:

22 2407 1st Avenue Suite 200
23 Seattle, WA 98121

 11. Identification of Decision Making Body and Decision. This land use
petition seeks review of a final decision by the City of Seattle, granting a

1 construction permit on June 6, 2018. A copy of this Decision is attached hereto as
2 Exhibit 1.

3 12. Identification of Parties Under RCW 36.70C.040(2)(b) through (d).

4 Subsections (b) through (d) of RCW 36.70C.040(2) provide that certain persons
5 are to be included as parties to the review of the land use petition. No other
6 persons appear to be required to be named parties. If the City believes that
7 another party is needed for just adjudication of this petition, the City should
8 notify Petitioner of this immediately pursuant to RCW 36.70C.050.

9 13. Petitioner's Standing: Petitioner has standing because, as an
10 organization, it represents the interests of people and businesses who are
11 negatively impacted by governmental decision-making at the state and local
12 level, including decisions granting permission to engage in land uses that impact
13 the environment and the working and living conditions of people in Washington.
14 Such interests here include the quality of life in residing, working and owning
15 property and businesses in the South Lake Union area, the area impacted by the
16 Decision at issue. The impact from the Decision will be immediate in the
17 accumulation of 65 people living in tents in this area, by encouraging loitering
18 and substandard living conditions in this particular area. The purpose of
19 environmental review is to allow the City (and members of the public, such as
20 those who reside or work in the area) to evaluate the environmental impacts of
21 the proposal before the proposal is authorized.
22
23

1 14. Concise Statement of Alleged Errors. The City issued the Decision
2 authorizing the applicants to build and operate a transitional encampment. The
3 Decision improperly ignores the requirement in Seattle Municipal Code (SMC)
4 Section 23.42.056F that limits transitional encampments in the City to three.

5 15. The City's Decision was handled as a Type I land use decision under
6 SMC section 23.76.004. The Decision was processed as a Type I decision which
7 was done administratively with no notice, opportunity to comment or a
8 disinterested decision maker. However, this proposal is not exempt from review
9 under the State Environmental Policy Act (SEPA). It is not categorically exempt
10 under SMC 24.05.800B or under any other categorical exemption. In issuing its
11 Decision, the City failed to undertake the required environmental review.

12 16. SMC 23.42.056 contains numerous requirements for approval of
13 transition encampments, including the requirement that the operator conduct
14 community outreach prior to making application, establishing a community
15 advisory committee, complying with an operations plan and being on the
16 qualified encampment roster by the Human Services Director. Because the
17 process by which the Decision was approved did not include any public notice or
18 administrative hearing, Petitioner has not had access to proof that these or any
19 requirements were met before the City issued the Decision. Counsel for
20 Petitioner has requested documents under the Public Records Act related to this
21 Decision, although no documents have yet been produced in response to that
22 request. Because the Decision was not the result of an open public process,
23

1 Petitioner reserves the right to assert additional errors once the records related
2 to this Decision are produced.

3 17. The City's Decision is the result of an unlawful procedure and
4 failure to follow a prescribed process under RCW 36.70C.130(1)(a); is an
5 erroneous interpretation of the law under RCW 36.70C.130(1)(b); is not
6 supported by evidence that is substantial when viewed in light of the whole
7 record below under RCW 36.70C.130(1)(c); and is a clearly erroneous application
8 of the law to the facts under RCW 36.70C.130(1)(d).

9 18. Concise Statement of Facts. Petitioners alleges the following facts:
10 Petitioners incorporate by reference the facts stated in Paragraphs 1 to 17 above.

11 19. On May 30, 2018, Applicants filed for a permit. Although counsel for
12 Petitioners have requested copies of documents related to this permit through a
13 public records act request, the documents have not yet been provided and
14 Petitioners have not seen what was actually filed. The City Department of
15 Construction and Inspections issued a Construction Permit No. 6668333-CN on
16 June 6, 2018. Again, Petitioner has seen no documents related to this permit,
17 other than the permit itself which was available on the City's website.

18 20. SMC 23.42.056 allows a Type I Master Use permit to be issued for a
19 transitional encampment interim use subject to several criteria. One criterion is
20 compliance with community outreach standards. SMC 23.42.056 A.1.a. The
21 applicant failed comply this requirement. Subsection b requires the
22 establishment of a Community Advisory Committee which includes on individual
23

1 identified by each stakeholder group in the geographic area where the proposed
2 encampment would be located as best suited to represent their interests. The
3 applicant failed to comply with this requirement.

4 21. The property at issue is zoned SM-SLU 100/95 and, therefore, the
5 threshold for review under SEPA is 30,000 square feet. The area of use of the
6 encampment is over 30,000 square feet. Review under SEPA should have been
7 undertaken before the permit issued and that the decision should not have been
8 processed as a Type I decision, but as a Type II decision.

9 22. Request for Relief. Petitioner requests all relief to which it and the
10 people it represents are entitled under LUPA. The Court should reverse the
11 City's Decision to grant the construction permit.

12 **PRAYER FOR RELIEF**

13 WHEREFORE, Petitioners now respectfully request the Court to award the
14 following relief:

- 15
- 16 A. An order consistent with request for relief set forth above in the Land
17 Use Petition Act claim or to effectuate any other ruling of the Court determined
18 after briefing and argument;
- 19 B. Costs and attorney fees in this action as allowed by law; and
- 20 C. Such other and further relief as the Court deems just and equitable.

21 RESPECTFULLY SUBMITTED this 27th day of June, 2018.
