Attached please find the final memo for the Q4 final results for 2018 for the homeless investments. The memo includes key takeaways and the program level detail is Attachment B to the memo.

Additionally, there is the Q4 Press release which mirrors the release we sent with 6 months of 2018 data, and highlights the following:

- 30% More Households Exit (Maintain) to Permanent Housing
- Enhanced Services Result in More Housing Placements
- Great Strides in Addressing Racial Disparities
- Providers were held to Performance Pay Standards

Please let me know if you need any additional information.
