Subject: Help Support the Recall Sawant Campaign

SPOG Members,

The Recall Sawant Campaign will be sign waving and signature gathering this weekend and would love any **off-duty** SPOG members (and friends and family) to join them. Here is the info from the campaign:

*We will be doing sign waving and collecting signatures for the Recall Sawant Campaign and we would like to beef our presence on Broadway since Sawant's people will be in mass to interfere. She's already sent out an email to her volunteers because they found out. We are just wanting to have **plain-clothed volunteers** help hold signs and gather signatures so we look like we have a lot of coverage.*

Dates: Saturday, May 8 and Sunday May 9

Time: 1145 to 1500

Meeting Location: North End of Cal Anderson 10th & Denny

Dress: Plain Clothes

We will cover:

Broadway Market

Broadway and John/Olive

Broadway and Pine

QFC Harvard Market

Our goal is to have about 40+ people each day and we have about 15 volunteers right now and many probably won't show for fear of retaliation. But if we get a huge turn out it will speak volumes... they can bring family and friends too!

Anyone interested, please email me directly Henry@SawantRecall.org so I can make sure we have enough supplies.

At your service,

Henry Bridger II
